COVID guidance

Please remember to call school should your child test positive for or develop symptoms of COVID and if a member of your household has tested positive also. At present, the guidance remains as follows...

Advice for those with main symptoms

The public health advice for anyone with a new cough, temperature, loss/change of taste/smell is that they should order a PCR test. They are advised to stay at home and avoid contact with others whilst waiting for the test result.

Advice for those with a positive result

If you have a positive result, the public health advice is to stay at home and avoid contact with others. Please see the flow diagram below...
