Dear Parent/ Carer,

Happy new year to you and your families. I hope that you had an enjoyable break and are all keeping safe and well. As you know, this week is the first full week of the Spring term and I am pleased to say that the children have settled back into school well. As you know, COVID is still present in our communities. May I take this opportunity to thank you for your support with following the systems in place and for following the guidelines for COVID testing and self-isolation. We understand that this is a difficult time for everyone and again thank you for your support. As always, our door is always open so please do contact school if there is anything that you wish to discuss further. Take care. Mrs S Horton, Head of School

Nursery	74.8%

-If your child develops a new cough/ temperature/ loss or change of taste or smell, please self-isolate and seek a PCR test

-If your child is unwell with any other illness/ symptom, it is advised locally for your child to complete a LFT before returning to school.

-For any advice or support with this, please do call our school office on 01902558840 who will be happy to help.
