Dear Parent/ Carer,

As you know, this week we welcomed all children back to school and I am delighted to say that they have settled in well to the school routines. Things this term are a little different once again from drop off and collection times to additional catch up sessions for all children. May I take this opportunity to thank you for your support with following the systems in place.

We hope that you and your family had a safe and happy summer break. We look forward to working with you and your children throughout the rest of the year.

Take care
Mrs S Horton,
Head of School
